

# 2017 Spring SWIM LESSONS SCHEDULE

Class size is limited to eight per class for Infants (6-24 months), Toddlers (2-4 years old), Preschool (3-5 years) at Holmes.  
 Class size is limited to 12 per class for most other classes.

Our swim lessons are designed by our staff to help promote water safety for our participants at a young age. It is our hope that participants meet with success early and often in our swim lesson programs and develop a love and respect for the water. Competitive oriented skills have been moved to the more advanced groups.

Should lessons at The Falls need to be cancelled for a day due to weather, staff will make every attempt to make them up on weekdays at the end of the third week. The Recreation Division will do everything possible to see that at least 10 lessons are held, but we cannot control the weather.
