

	W. 11th Street Rehabilitation Beginning June 22, 2020 For updates visit: www.cedarfalls.com/notify	Legend <div style="display: flex; align-items: center; gap: 10px;"> <div style="background-color: #0070C0; width: 20px; height: 10px; display: inline-block;"></div> Road Closed </div> <div style="display: flex; align-items: center; gap: 10px;"> <div style="background-color: #90EE90; width: 20px; height: 10px; display: inline-block;"></div> Stage 2 </div>
--	--	--

All,

Beginning **Monday, June 22, 2020** the contractor will begin Stage 2 rehabilitation of W. 11th Street by closing W. 11th Street from the west property line 1019 11th Street to Division Street. In order for the contractor to begin curb & gutter replacement and mill & overlay of new asphalt, a full road closure will be required. The road closure will be in effect for **six to seven (6-7) weeks**, depending on the weather. Above you will find a map with the closure area highlighted.

For safety's sake, please stay away from the construction area. Heavy equipment will be moving back and forth on the closed street. It would be advisable to stay behind the sidewalk on the property side during the reconstruction work.

During the closure, alternate garbage pickup points will be required for residents who normally place automated collection carts within the closure area of 11th Street. Residents can place their collection carts on the open portion of 11th Street, Pearl Street, Division Street or Catherine Street during this stage of the closure. This should be done on the normal collection day for that particular street.

Yard waste collection carts can be placed curbside at the same location as the garbage collection carts for Monday pickup. Yard waste may also be taken to the transfer station in any type of container when the transfer station is open.

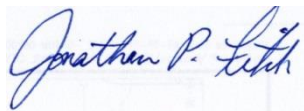

Mail delivery will not be impacted and will continue as normal.

If you want additional information about the 2020 Street Construction Project, please visit the project web page at www.cedarfalls.com/StreetConstruction

If you want to receive road closure notices by e-mail, visit www.cedarfalls.com/notify and follow the instructions for road construction as shown.

If you have any questions or concerns during the course of construction you may contact me by phone, fax or e-mail as listed below.

Sincerely,

A handwritten signature in blue ink that reads "Jonathan P. Fitch". The signature is written in a cursive style and is positioned above the typed name and contact information.
