Cedar Falls City Hall Reopening to Public May 18

Cedar Falls – Cedar Falls City Hall will be reopening to the public on May 18, 2020.

As the City works to provide a safe environment for both employees and citizens, new precautions will be enforced at City Hall to prevent the spread of COVID-19:

- All City Hall visitors will be required to wear masks and must abide by social distancing rules. Staff will be wearing masks when interacting with the public as well.
 - Signs will be positioned in City Hall notifying visitors of these requirements and social distancing marks will be in place on the floor to help visitors comply with guidelines.
- Visitors may only visit the front desk either upstairs or downstairs at City Hall. Plexiglass will be in place to provide a barrier between staff and visitors.
 - Hand sanitizer stations will be set up at both windows and sanitation of all surfaces will be performed frequently.
- Any citizen exhibiting symptoms of illness, including fever, shortness of breath, or cough, should not visit City Hall.

The City does continue to encourage residents to conduct business online as much as possible. This includes using <https://www.cf1stop.com/> to file for electronic permits. Residents can also complete services requests online at <https://www.cedarfalls.com/requesttracker.aspx> and look up department contact information at <https://www.cedarfalls.com/directory.aspx>. Police reports can be filed online at <https://www.cedarfalls.com/1533/Report-a-Crime>.

To learn more about completing business with the City electronically, stay updated on local and state announcements plus find resources regarding COVID-19, please visit www.cedarfalls.com/prepare.
