

All,

Beginning Tuesday, July 21<sup>st</sup>, Cunningham Construction will close West 2<sup>nd</sup> St from Main St west to the east edge of the alley. The street will remain open to Washington St to allow access to the alley and businesses until further notice. This street will be closed for approximately 12 weeks to complete all of the required work including sidewalks, weather pending. Sidewalks will remain open on both sides of the street. Above is a map with the closure area highlighted.

At this time, it is anticipated that East 3<sup>rd</sup> Street will be reopened Monday, July 20 and West 3<sup>rd</sup> Street will be reopened on August 3, weather pending.

For safety's sake, please stay away from the construction area. Heavy equipment will be moving back on forth within the closure area.
