

Beginning the week of, **Monday, July 18<sup>th</sup>, 2022**, the contractor will begin reconstruction of the alley from 13<sup>th</sup> Street to 14<sup>th</sup> Street between Tremont Street and Franklin Street. In order for the contractor to begin, an alley closure will be required. The closure will be in effect for **three (3) to five (5) weeks**, depending on the weather. **Please see the closure area highlighted on the map below.**

For safety's sake, please stay away from the construction area. Heavy equipment will be moving back and forth on the closed alley. It would be advisable to stay behind the sidewalk on the property side during the reconstruction work.
