

Paw Park

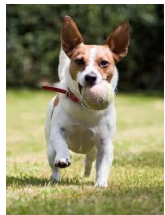

Cedar Falls, Iowa

Paw Park is a municipal park located on South Main Street just south of Nazareth Lutheran Church and the Highway 58 overpass. The park is a fenced in, off-leash exercise facility for dogs.

It provides 3 acres of hilly terrain, dog waste bags and disposal tank, a shelter, picnic tables and parking lot for your use. A dog water fountain and restrooms are available during warm weather months. Paw Park provides a space where dogs can exercise and socialize with other dogs. It offers a great opportunity to allow your dogs to run, play and just be a dog!

Things to consider before you visit:

- ◆ Has your dog been around other dogs much? If not, it may be best to bring him during a slow time at first. Socialization is a process.
- ◆ Toys are allowed but expect to share. If you believe your dog will guard his favorite toy from other dogs, please leave the toy at home. Tennis balls are plentiful at Paw Park for dogs not interested in interacting.

- ◆ Unleash! Dogs on leashes can feel trapped and defensive and may act up. The leash can also present a hazard to other park users. If you must leave a leash on, please let it drag behind the dog.

Rules

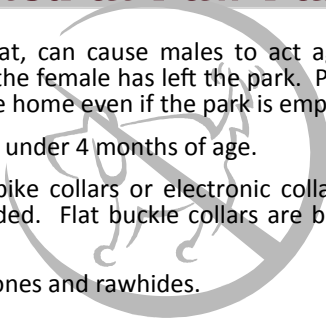

- ⇒ Do not leave your dog in the park unattended.
- ⇒ If your dog poops, you must scoop. Biodegradable bags and pooper scoopers are provided. Place waste in the disposal, not trash receptacles.
