THE REC

Team Coaches will be in contact with each other as we approach away games.

Coaches will then pass along the directions to other town's facilities to Wrecking Crew players and families.

This team is sponsored by the Cedar Falls Lions Club

5th – 6th Baseball Rules

- Visitors will take the field for warm-ups at 5:45, or fifteen minutes prior to the game start time, to be followed by the home team infield for 7 ½ min.
- Most games will start at 6pm unless arrangements are made by both coaches to start at a different time or otherwise specified.
- Games will either be two 5 inning games or one 7 inning game depending on what the two coaches decide. If the two coaches can't decide it will default to the home team. Games should be done after 2 hours or until daylight runs out.
- Cancellations- Home team decides and must call at least 90 minutes prior to scheduled game time.
- 9 players on the field in normal baseball positions.
- Home team provides one new ball and two other good condition balls
- If you have more than 9 players you may bat all with open substitutions or sit the remainders and sub in and out at positions.

Batting

- Leading off and base stealing is open. That includes HOME BASE
- 5 runs per inning
- Infield fly rule is in place
- Drop third strike rule is NOT in effect
- Bunting is allowed.
- Throwing the bat – first time team issued a warning – second time batter is out and runners can't advance

Pitching

- Pitching rubber – 50 ft with a 6" pitching mound (If your team doesn't have one, coordinate with the other team about bringing theirs)
- Strike zone- width of the plate plus one fist inside/outside (from the edge of the white) between the knees and chest of the batter in a standing position
- Each Pitcher will get one warning for a Balk, after that normal Balk rules apply.
- A pitcher can only pitch 50 pitches per day with one full day of rest after.
- 5 pitches at start of game or when new pitcher enters. 3 pitches between innings

Sportsmanship

- Sportsmanship – players, coaches, and fans are expected to display good sportsmanship
- Coaches have the responsibility of controlling abusive fans
- Coaches should not argue judgment calls with the umpires
- Umpires have the right to eject players and coaches and may declare a forfeit when appropriate
- Home teams need to provide 2 umpires to make sure the game is called as accurately as possible
